Veolia Water

Jan 2005 – Jan 2012 · 7 years 1 month

- Developed the corporate policy related to asset management and general facility maintenance for over 250 facilities in North America.
- Developed a maintenance strategy based on the theory of Reliability Centered Maintenance (RCM). Worked with supervisors and field staff to implement the strategy at the company's largest contract in Indianapolis, Indiana. The maintenance strategy implementation was successful and has resulted in improved reliability, safety and reduced costs...
